

## VENERE MANO MORBIDA

Venere Mano Morbida is our very popular double-width linen voile that has a finishing wash that we call Mano Morbida which means soft hand in Italian and makes the fabric soft and pliable and a little wrinkled which gives a relaxed and soft impression. The warp and weft have a slightly different colour, which gives a varying colour tone and a vibrant fabric.

This article is washed to give it a unique look, it has wrinkles and marks. The linen yarn can be irregular with slobbs and knots depending on the natural character of the linen fiber.

It will stretch and/or contract depending on humidity, dryness and temperature.

Please be aware that screen colours, printer colours and fabric dye batches may all vary.
